NEIGHBOURHOOD retail chain 99 Speedmart has opened its 1,000th outlet at Section 13, Shah Alam.

To celebrate the milestone, the store offered attractive opening promotions and free food sampling.

NutriPlus eggs as well as 99 Speedmart pens and reusable bags were given to the first 100 shoppers while customers who liked the retail chain's Facebook page received an additional free gift of a Coca Cola 250ml limited edition glass bottle.

Among those present was loyal customer Siti Raudza Othman.

"Apart from consistently offering lower prices, 99 Speedmart is the best place to shop because it is located in our neighbourhoods and saves us time," she said.

The newest outlet allows customers the option of paying by credit card and offers bill payment services at the counter as well.
