99 Speed Mart Retail Holdings Bhd has announced that its outlets nationwide will extend their operating hours, opening from 9am onwards effective July 1.

KUALA LUMPUR: 99 Speed Mart Retail Holdings Bhd has announced that its outlets nationwide will extend their operating hours, opening from 9am onwards effective July 1.

In a statement today, the home-grown mini market chain retailer said this is in line with its commitment to enhance customer convenience and better align with shopping patterns.

"This initiative reflects our dedication to elevating the customer experience while reinforcing our leadership position in the mini market retail space," said chief executive officer and founder Lee Thiam Wah.

The announcement followed the company's second annual general meeting (AGM) held earlier today, during which all resolutions were approved by shareholders.

The announcement followed the company's second annual general meeting (AGM) held earlier today, during which all resolutions were approved by shareholders.

Lee said the unanimous approval of the resolutions represents a strong endorsement of 99 Speed Mart's strategy and long-term vision.

"As we look ahead, we remain focused on deepening our nationwide presence, strengthening our distribution network, and driving sustainable value creation for all stakeholders," he said.
